Service shall mean either a part or all of the (1)HENNGE Email DLP, (2)HENNGE Email Archive, (3)HENNGE Access Control, (4) HENNGE Secure Browser, (5)HENNGE Device Certificate, (6)HENNGE Lock, (7)HENNGE Secure Transfer, and(8)HENNGE SMTP Relay Service. The details of each service shall be defined in the Paragraph 1 of the exhibit hereto.
2. HENNGE shall provide Customer with such support service as set forth in the Paragraph 2 of the exhibit hereto as an ancillary service to the Service.

Article 4 (Linkage with External Service)

1. As the Service is provided, Customer may link and utilize an external service platform which is approved by HENNGE ("External Platform Service") in conjunction with the Service; provided however HENNGE provides no guarantee that such linkage and utilization of the

Service in conjunction with the External Platform Service will work in actuality.

2. HENNGE shall not be liable in any manner or form with respect to any damage which may arise due to failure of the External Platform Service.

3. Matters related to Google Workspace(*1) provided by Google LLC shall be subject to Google Workspace Terms of Service (https://workspace.google.com/intl/ja/terms/2013/1/premier_terms.html).

For any matter which is not set forth in the Google Workspace Terms and Conditions for Use, TOS shall apply mutatis mutandis.

4. Matters related to Microsoft 365(*2) provided by Microsoft Corporation shall be subject to Microsoft Service Agreement (<https://www.microsoft.com/ja-jp/servicesagreement/>). For any matter which is not set forth in the Microsoft 365 Terms and Conditions for Use, TOS shall apply mutatis mutandis.

5. Matters related to Cybertrust Device ID(*3) provided by Cybertrust Japan Co., Ltd. shall be subject to the Cybertrust Device ID Terms of Use (https://www.cybertrust.co.jp/deviceid/repository/CybertrustDeviceID_Terms_v2.0.pdf). For any matter which is not set forth in the Cybertrust Device ID Terms of Use, TOS shall apply mutatis mutandis.

6. Matters which are related to external service platforms which are not granted by HENNGE to be linked and utilized shall be subject to the terms and conditions for use and so on of the relevant service providers. For any matter which is not set forth in such terms and conditions for use, TOS shall apply mutatis mutandis.

Article 5 (Notice of Change)

In the event of any change in information which was set out in the application form and submitted to HENNGE, Customer shall promptly update such change by utilizing the HENNGE's designated change form whenever such change takes place.

Article 6 (Minimum Use Term)

1. Minimum use term of the Service shall be one (1) year commencing from the commencement date which is separately set forth in Individual Agreement.

2. In the event that Customer wishes to terminate Individual Agreement prior to expiration of the minimum use term as stated in the preceding paragraph, unless otherwise provided in TOS, Customer shall pay HENNGE the penalty whose amount is equal to the service fee for the remaining period of the minimum use term.

Article 7 (Renewal)

The Use Agreement shall be automatically renewed for a period of additional one (1) year under the same terms and conditions unless either HENNGE or Customer expresses otherwise no later than one month prior to the expiration date of Individual Agreement and the same shall apply thereafter.

Article 8 (Service Fee)

1. Customer shall pay following fees and charges to HENNGE as it utilizes the Service;
 - (1) Subscription Fee - Fee and processing charge for initial configuration of the Service.
 - (2) Service Fee – Compensation to utilize the Service.
2. Payment terms for the Subscription Fee and the Service Fee shall be separately determined and agreed in Individual Agreement.
3. Subscription Fee and the Service Fee which are paid by Customer to HENNGE shall not be refundable for any reason unless otherwise set forth in TOS.
4. Customer shall pay the Service Fee as well as any consumption tax and other taxes assessed thereon for the full subscribed term even during the period of time when the Service may not be available to Customer in accordance with the provisions of the Article 14 and 15 herein; provided however in the event that the time period when the Service is totally unavailable to Customer ("Downtime") due to reasons as set forth herein comes to more than five (5) business days from the beginning of each month until the end of such month, Service Fee for such number of days of Downtime as well as any consumption tax and other taxes assessed thereon shall be waived (any fraction less than one (1) day of Downtime shall be rounded up).

Article 9 (Configuration and Maintenance of Facilities to Utilize Service)

1. Customer shall, at its own cost and responsibility, set up and manage Customer's facilities in such a manner that they are compliant to conditions designated by HENNGE and shall maintain such environment to utilize the Service.
2. Customer shall, at its own cost and responsibility, connect its facilities to the internet utilizing the telecommunication service provided by any telecommunications carrier in order to utilize the Service.
3. In the event of any problem with Customer's facility, internet connectivity or with any environment which are set forth in the preceding paragraph to utilize the Service, HENNGE shall have no obligation to provide the Service to Customer.
4. HENNGE may be able to take any necessary actions, such as to monitor, analyze, and investigate all the data and log data ("Customer Data") which are provided or transmitted through the Service by Customer's officers and employees, and/or any other parties who are authorized to utilize the Service by Customer based on the provisions hereof ("Users") in the

event that HENNGE determines as necessary from maintenance, operation, or technical point of view in relation to the Service.

Article 10 (Utilization by Users)

1. Utilization of the Service shall be limited to a legal entity, group, or an organization which Customer belongs to.
2. As Customer makes the Service available to Users, Customer shall, under its own responsibility, explain to Users the conditions of the Service to be provided hereunder, obtain their consent, and shall be liable for such Users' compliance with the same obligations as Customer bears hereunder.
3. Customer shall consent that Users' utilization of the Service shall be deemed as the Customer's own utilization of the same and shall be liable for all the events which take place on such Users' end. In the event that Users breaches any of the items listed in the Paragraph 1, Article 26 herein, which are the prohibited matters, Customer shall immediately cure such breach.

Article 11 (User ID and Password)

1. Customer may not lend or share its user ID and password with any third party except that Customer discloses such information to Users and shall strictly manage the user ID and password to prevent leakage to any third party. HENNGE shall not be liable for any damage incurred by Customer or by any other party due to mismanagement, misuse or overuse, or use by a third party of the user ID and password.
2. In the event that any third party utilizes the Service under Customer's user ID and password, HENNGE will deem such use as Customer's own use and Customer shall be liable for any and all financial consequence incurred by such use. Also, in the event that HENNGE incurs any damage due to such use, Customer shall compensate the damage unless such third party's use of user ID and password is due to reasons attributable to HENNGE.

Article 12 (Backup)

Customer shall, under its own responsibility, save and back up the Customer Data which is set forth in the Paragraph 4, Article 9 herein. Except the cases where HENNGE bears special obligations as set forth in Individual Agreement, HENNGE shall not be liable for any storage, saving, or backing up of Customer Data.

Article 13 (Specification Change or Service Content Change)

1. HENNGE shall be entitled to change the content, utilization method, or update the versions of the Service to improve the functionalities or add or modify the features (“Service Change”) without Customer's consent and at HENNGE's sole discretion.

2. Among the Service Change, such changes which affect Customer's operation method and/or Customer's utilization environment such as those require substantial changes of user interface and/or changes of the service URL, HENNGE shall provide a prior notice to Customer; provided however in the event of emergency Service Change or Service Change due to inevitable reasons, such prior notice may not be available.

3. Customer shall, at its own responsibility and cost, make any necessary change or adjustment of Customer's environment such as the configurations of Customer's appliances and alike which may become necessary for Customer to continue to utilize the Service as a result of the Service Change.

Article 14 (Suspension of Service)

1. In the event of either of the following cases, HENNGE is entitled to suspend the Service;

(1) Inability to utilize the facility which is set up by HENNGE to provide the Service ("HENNGE Facility") or the facility of a telecommunications carrier or other party(ies) which is utilized to provide the Service ("Facility of Telecommunications Carrier and Others") due to maintenance, inspections, construction work or failure of such each facility;

(2) Inability to utilize HENNGE Facility or the Facility of Telecommunications Carrier and Others due to power outage or other inevitable reasons;

(3) Circumstances where HENNGE or the telecommunications carrier may not provide the Service, such as the government authorities' decisions, war, subversive activities, armed conflicts, embargo, fire, flood, or other serious disasters, pandemic, strikes or other labor dispute, stoppage or delay of transportation, failure, stoppage, or delay of any third party's service or communication methods which are not attributable to the supplier of the infrastructure, attacks by viruses and alike, denial-of-service attacks, mass transmission of spam mails, failure of any third party software, unavailability of raw materials, supplies, power supply, or appliances which are necessary to provide the Service, and any other reasons when the Service needs to be suspended; and

(4) Any other reason which HENNGE determines as suspension of the Service is necessary.

2. In the event that the Service needs to be suspended in accordance with the preceding paragraph, HENNGE shall provide Customer a prior notice; provided however in the event that such prior notice is not available due to emergency or other reasons, HENNGE shall provide a notice as soon as practicable.

3. In the event that HENNGE becomes aware of any failure with the HENNGE Facility, HENNGE shall immediately notify Customer and make efforts to repair or recover the HENNGE One Service without delay.

4. When HENNGE becomes aware of any failure with the Facility of Telecommunications Carrier and Others which is leased to HENNGE in order to connect to the HENNGE Facility,

HENNGE shall instruct the telecommunications carrier and other relevant parties which provide the Facility of Telecommunications Carrier and Others to repair or recover it.

5. In the event of any problem with respect to provision of the Service, Customer and HENNGE shall notify each other without delay and take necessary measures which are to be taken by each party upon consultation by both parties to determine such measures.

6. HENNGE shall not be liable for any damage incurred by Customer due to suspension of the Service which is set forth in the Paragraph 1.

Article 15 (Restriction of Use of Service)

In the event of any emergency situations including but not limited to natural disasters or any possibility thereof, HENNGE may, based on the Article 8 of the Telecommunications Business Act of Japan, take measures such as to partially suspend the utilization of the Service in order to prevent disasters or to facilitate rescues, transportation, communications, or to secure power supply or to give priorities to emergency communications which are necessary to maintain the order of the society or for public interests. 5. Case Management and Initial Response Time

(1) Case Management and Definitions of Priorities

HENNGE shall manage the support cases based on the relative priorities and deal with them accordingly.

Priorities are determined based on the following criteria;

High	<ul style="list-style-type: none"> ✓ Problems which affect the continuity of Customer's business by interruption of the service functionality; ✓ Problems which may cause loss of Tenant Data or security issues; ✓ Other problems which are agreed as high priority between Customer and HENNGE;
Medium	<ul style="list-style-type: none"> ✓ Requests for setting change ✓ Problems with workaround solutions; ✓ Problems which manifest under certain conditions;
Low	<ul style="list-style-type: none"> ✓ Inquiries on general operational procedures, settings, and functionalities; ✓ Inquiries, requests and other matters which are not urgent; ✓ Inquiries regarding support knowledge;

*Priorities may be adjusted after investigation by the support engineers.

e.g., Revising the priority from "High" to "Medium" after workaround is found and provided.

*Regardless of the criteria, resolution may take several days due to necessary investigations and analysis.

(2) Target Initial Response Time by Priority

HENNGE sets the Target Initial Response Time by priority. In order for our initial response to be precise and relevant, it is mostly appreciated that Customer provides as much information as possible with respect to the problem, such as its impact and scope, whether it can be reproduced or not, what steps to take to reproduce, and so on.

High	Targeted to provide within 2 business hours of initial response and HENNGE's biggest focus is to recover the service.
Medium	Targeted to provide within 6 business hours of initial response.
Low	Targeted to provide within 8 business hours of initial response.

6. Guarantee of Service Availability

HENNGE guarantees the availability of its services as specified below, which is the basic policy for all HENNGE One plans.

(1) Guarantee of Availability

HENNGE guarantees 99.9% of service operation rate.

(2) Covered Services

Services which are covered by the guarantee of availability shall be as follows in terms of each service menu.

Service Menu	Service which are covered

HENNGE Access Control	Single sign-on service via HTTP

HENNGE Secure Transfer	File upload service via HTTP File download service via HTTP
HENNGE SMTP Relay Service	SMTP mail reception service of the SMTP service for transmission relay

(3) Definition of Operation Rate

- Operation rate shall mean the rate where the total operational minutes of each month less the total Downtime minutes of each Downtime period of the month divided by the total operational minutes of the month.
- Downtime period shall mean the timeframe when the Downtime which lasts for more than 10 minutes which is detected by the HENNGE monitoring system. Downtime which is less than 10 minutes will not be counted as the Downtime period.
- Downtime shall mean the total of time when the covered service is completely suspended due to any failure or problem. Under the situation where mail deliveries are delayed or access to the desired console is temporarily slow or difficult, but the service continuity is not affected even with partial technical failure or a problem, such period shall not be considered as the Downtime, while HENNGE shall work hard to resolve such failure or problems.
- In the event that the Downtime takes place due to following factors or in relation with following causes, it shall not be counted as the Downtime which is to be used to calculate the operational rate;
 - Article 14 and 15 of TOS;
 - Unavailability or delay of SMTP due to third party's flow limitation;
 - Infinite loupe of mails due to Customer's designated or authorized transfer settings and alike by Customer or any third party;
 - Inaccessibility due to Customer's environment, such as Customer's internet network and firewall;
 - Failure of the Internet which hinders access to Customer's account;
 - DNS-related problems which are beyond HENNGE or telecommunication service provider's control;
 - Inaccessibility to the administrator console;

- Customer's acts or omissions (or of any third party designated or authorized by Customer) ;
- In spite of actual availability, access is seemingly unavailable due to DNS cache issues and alike;
- Inability of the Single Sign-on access due to issues taking place at the service provider; and
- Failure or delay in mail transmission due to erroneous detection by major DNSBL

(4) If the event that monthly operational rate becomes less than 99.9%, HENNGE shall reduce its yearly Service Fee of Individual Agreement as follows;

Monthly Operational Rate	Reduction of Fees for the Next Contractual Term
99.0% or more but less than 99.9%	5% of the monthly charge calculated based on the yearly contractual amount
